

A powerful hand cleaner that is based on d-Limonene, the natural solvent derived from orange peels. It quickly and effectively removes deep-down dirt, grease and grime. This all natural formulation contains a combination of citrus cleaners, natural walnut scrubbers and cosmetic conditioners to keep working hands in good shape.

Where To Use

Garages	Maintenance Shops
Machine Shops	Manufacturing Plants

Dilution

As is.

Directions

Apply All Natural onto dry hands. Work in well with special attention to heavily soiled areas. Use a brush for deep cleaning under fingernails. Wipe dry with paper towel, cloth, etc. or rinse with water.
