

A citrus scented all-purpose cleaner and degreaser, medium foaming and non-butyl. Great for removing road film, dirt and grease from a wide variety of vehicles.

Where To Use

| | | |
|----------------|-------------|------------------------|
| Truck Washing | Presoak | Concrete Floor Cleaner |
| Fleet Cleaning | Food Plants | Construction Equipment |
| House Washing | Degreasing | Self Serve Car Washes |

Dilution

Light Cleaning: 1/60 Dilution
Medium Cleaning 1/40 Dilution
Heavy Cleaning 1/25 Dilution

Directions

Directions: While best results are obtained in a dilution of 1 part product to 60 parts water, some cleaning jobs may be diluted as high as 1/128. For pressure cleaning dilute according to suggestions above. Do not apply to hot surfaces directly through pressure washer, pre-wet the surface with water. Apply to a workable area, concentrating the solution on badly soiled or greasy areas. Pressure rinse. Continue process until the vehicle is clean.

Technical Specifications
