

A suspension of specially bred bacteria that quickly and effectively digest grease, protein, hair and other organic waste to keep your drains free flowing at all times. Drainace™ also contains a powerful malodor counterpart to keep your food preparation areas smelling clean and pleasant.

Where To Use

Use in a closed system dispenser.

Dilution

Ready-To-Use

Directions

Sink Drains: 4 oz. / twice weekly. Vary amount and frequency according to usage and size of drain.

Grease Traps: Initial treatment - Pour 1 pt. into opening closest to trap prior to its longest no-use period. For maintenance purposes, use 4 oz. daily. (large traps may require additional amounts.)

Wash Basins/Shower Stalls/Bathtub: 4 oz. weekly.

Septic Tanks: To promote bacterial digestion, add 8 oz. per week directly into toilet.

Garbage Disposals: 2 oz. weekly. Automatic dispenser available for maximum convenience & efficiency.
