

Versatile, high-sudsing, green liquid detergent for all hand warewashing. Cleans encrusted pots and pans. Removes grease, food soils, lipstick, and odors from dishes, glassware and flatware. Ware does not become slippery while immersed in water. Excellent sheeting action results in rapid, spot-free drying. Does not effect beer head. Safe on aluminum. Effective in all water temperatures and hardness conditions. Mild to hands.

Where To Use

Hospitals	Restaurants
Schools	Institutional Kitchens
Delicatessens	Diners

Dilution

1/2 oz./ 4 Gallons of water

Directions

Use 1/2 ounce per 4 gallons of dish water depending on soil load. Begin by running faucet with warm water. As water is flowing in, add enough detergent to get a good foam level. Begin by washing glasses, flatware and dishes. Finish up with pots and pans. Rinse all wares and utensils thoroughly with fresh water. Hard water may require an increase to the dilution.
