

Fluffy Fabric Softener

F1165

A fresh scented, ready-to-use cationic fabric softener with bacteriostatic properties. It reduces static electricity and has extra whitening. Speeds up water extraction, drying and minimizes flat work rolling.

Where To Use

Institutional laundry operations
Nursing homes
Hospitals
Hotels

Dilutions and Directions

Use two ounces of Fluffy Fabric Softener during the final rinse. This product can be used on all washable fabrics. Do not add in the same cycle with bleach, bluing or starch.
