

A Ready-To-Use environmentally responsible carpet spotter and pre-spray that safely removes stubborn stains on carpets and upholstery.

Where To Use

Commercial and Residential Carpets and Upholstery.
Homes Hospitals Restaurants
Offices Schools Airports
Vehicle Interiors

DILUTION: As is.

DIRECTIONS:

This product is Ready-To-Use. Spot test for colorfastness by spraying this product on an inconspicuous area. Wipe with a white cloth or paper towel. If no bleeding of color occurs, proceed with the cleaning application.

Blot up any excess liquid from the spill with an absorbent cloth. Spray this product onto stain. Be sure not to saturate. Agitate with a carpet brush, blending cleaning area into adjacent carpet area. Blot with a clean cloth to absorb the solution. Repeat on tough stains. Allow to dry, then vacuum.

INDICACIONES:

Este producto está listo para usar. Realice una prueba de desteñimiento rociando este producto en una parte discreta. Limpie con un paño blanco o toalla de papel. Si no se produce desteñimiento, continúe con la aplicación de limpieza.

Borre cualquier exceso de líquido debido a derrames con un paño absorbente. Rocíe este producto sobre mancha. Asegúrese de no saturar. Agite con un cepillo de alfombra, mezclando el área de limpieza con áreas adyacente de la alfombra. Quite con un paño limpio para absorber la solución. Repita en manchas resistentes. Permítale secarse, después aspir
