

Soil Out

Filtration Soil Remover

Carpet Care

Description

Soil Out Filtration Soil Remover emulsifies stubborn filtration soils and lubricates fibers--allowing heavy agitation without pile distortion. Soil Out Filtration Soil Remover breaks the bonds between the filtration soil particulates and the carpet fibers quickly and easily and soils release freely with water.

Directions for Use

1. Always test fabric colorfastness before applying any chemical.
2. Apply Soil Out liberally to all affected areas.
3. Allow dwell-time for soils to emulsify.
4. Agitate vigorously. Use a long handled brush to avoid possible injury form tack strip.
5. Rinse with hot water extraction.
6. Repeat if necessary.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Features & Benefits

- Emulsifies stubborn filtration soils
- Lubricates fibers
- Allows heavy agitation without pile distortion
- Soils release freely with water

Specifications

Appearance:	Creamy Tan Liquid
Odor:	Bland
PH:	6.5 - 7
Specific Gravity:	.780
Detergency:	Excellent
Biodegradable:	Yes

Dilution

Ready to Use

Available Sizes

Case/ 12x1 quart : Item # 608902
