

Bathroom Cleaner NA

Bathroom Cleaner & Deodorant (Non-Acid)

Bathroom

Description

Bathroom Cleaner NA was specifically designed to clean toilet bowls, urinals and other hard, nonporous restroom surfaces. Use on nearly any hard, nonporous surface without fear of etching or pitting. Will not harm plumbing or septic tanks. Use Bathroom Cleaner NA for floor mopping and eliminate the time and labor normally required for rinsing. This products fresh and clean fragrance incorporates an odor-killing component to deodorize toilet bowls, urinals and surrounding areas. Freshens washrooms, lavatories and restrooms.

Directions for Use

For one-step cleaning of floors use this product at 4 oz. per gallon of water. Apply with a mop, cloth or coarse spray device. Allow to air dry or wipe off with a clean cloth or paper towel. Prepare fresh solution daily or more often if solution becomes visibly dirty, diluted or soiled. Rinsing of floors is not necessary except before application of a floor finish or polish. **Cleaning and Deodorizing Toilet Bowls and Urinals:** Remove water from the bowl by forcing it over the trap with a swab mop. Liberally apply this product at 8 oz. per gallon of water to the exposed surfaces. Swab the exposed surfaces including under the rim. Flush toilet or urinal and rinse swab mop thoroughly.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.
