

Fringe Bleach

Oxygen Bleach for Rug Fringe

Description

An odorless powdered oxygen bleach for treating browning and color bleed on cotton fringes of oriental rugs. Always test on color fabrics before use.

Directions for Use

Mix 1-2 tablespoons per gallon of warm water. Apply with a soft spotting brush, wait until desired whiteness occurs, rinse with plenty of water and dry rug flat.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.
