

Red Truck Wash

Powdered Auto Detergent

Automobile

Description

This powerful powdered cleaner has been specifically designed for the cleaning of tough grease & dirt deposits and over-the-road films from commercial type vehicles such as cars, trucks, buses, trailers, and railcars. This alkaline fleet wash can be used to effectively remove deposits without harm to finishes and vinyl, rubber, or plastic trimmings. Red Truck Wash may also be used to clean concrete and other water-safe and alkaline-safe hard surfaces.

Directions for Use

Dilute 2-4 tablespoons per each gallon of water. Use through automatic injection or a pressure washer. Do not allow cleaning solution to dry before rinsing.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Features & Benefits

- Safe Alkaline Formulation
- Removes films and deposits instantaneously
- Add luster as it cleans
- Alternative use as a concrete cleaner
- Will not harm vehicle finish or trimmings
- Works best when used in a pressure washer

Specifications

Appearance:	Red Powder
Odor:	Cherry
PH	12.5 (1% Solution)
Specific Gravity:	N/A
Detergency:	Excellent

Dilution

2 – 4 tablespoons per gallon of water
