

SS Shine

Oil Base Stainless Steel Cleaner and Polish

General Purpose

Description

SS Shine is a one step stainless steel cleaner, polish, and protectant. Contains no acid, silicone, or abrasives. Can also be used to clean and protect Aluminum, Chrome, Brass, Formica, Porcelain, Fiberglass, Plastic and more. Leaves surface clean and shiny with no residue. Repels water and prevents liquid penetration. Regular use of SS Shine will keep your surfaces "High Gloss" indefinitely.

Directions for Use

This product should be used as is. Apply a small amount to Stainless Steel or other surfaces using a clean dry cloth. Remove excess oil from surface with cloth.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.
